Cheryl Pett

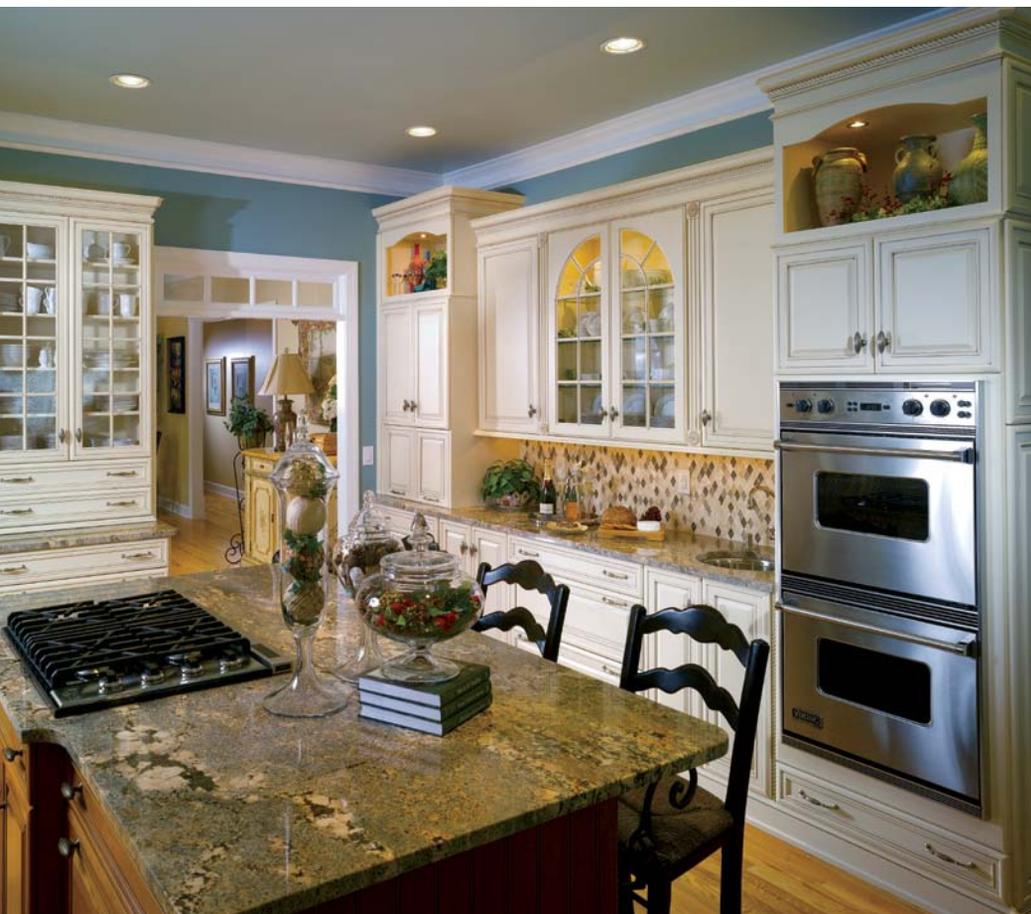

As a Certified Kitchen Designer, **Cheryl Pett** has been designing custom kitchens, baths and home interiors for over 17 years. Her clients always have a design that reflects their personality, interest, lifestyle and expectations. She maintains a high standard of quality and creativity on all projects. Cheryl Pett Design, Ltd. is committed to a referral-based clientele who appreciate quality product selections and commitment to customer satisfaction.

Cheryl has a Bachelor's degree of Fine Arts in Interior Design from the International Academy in Chicago, IL and a Master of Science Degree from DePaul University. Cheryl is an active member in NKBA, ASID and the Universal Design Alliance as well as many community organizations. Cheryl is an award winning designer and her work has been featured in numerous national publications.

Awarded *Best Traditional Kitchen* in Hadco's Design Excellence contest, this kitchen was designed to maximize storage and function, as well as exhibit a warm, comfortable European Country feeling. The mixture of woods and moldings, metals, stone, antique glass, and display areas create a sophisticated charm (*Right*).

(Above) Increased prep space and large fireclay farm sink allow creative cooking and easy clean up.

The large island and bar area are perfect for large gatherings and entertaining guests.
